

## Emperor Charles II.

Accompanied by half the nobility of Austria went to the Carlsbad Springs for the recovery of his health. Six thousand six hundred horses, so the town records say, were necessary to con vey the company to the place,

The virtues of the water is as great the present day as it was in the time of Charles II, and although the expense attached to a journey thither is not as great now as it was then, we are not atl wealthy enough to undertake it. For such the virtue of the Carlsbad Spring is extracted. The Carlebad Sprudel Salt, obtained by evaporation, containing all the solid constituents of the water, can be obtained at every drug store.

It is the very best remedy for catarrh of the stomach, constipation, liver and kidney troubles, gout, rheumstism. etc. Be sure to obtain the genuine imported article, which must have the signature of "Eisner & Mendelson Co., Agents, New York," on every package. Price \$1; large size \$1.50.

## BOLD ROBBERY ATTEMPTED.

At the Florence Coal Company's Store Yesterday Morning.

Pittston, Pa., April 25.—A daring but unsuccessful attempt at safe blowing was made on the office safe of the Florence Ceal company located in the store building near the company's breaker at Smithville about 1 o'clock yesterday morning.

The robbers were foiled in their work by the Watchman putting in an appearance. Upon making his tour of the premises at the hour above mentioned, discovered a man standing near the Building as if on guard. No sooner did he approach the sentinel than the latter sounded an alarm by discharging a revolver several times.

Thus aroused, the gang made good their escape. The watchman made an nvestigation of the premises and found that the intruders had gained entrance by forcing open a rear door. Once inside of the office they bored a hole in one of the doors of the safe and by means of powder succeeded in blowing it open. The inner doors were intact, however, the watchman having come on the scene in time to prevent the opening of the same. Nothing else in the store or office was disturbed. There is no clew to the gang.

Criticising a Young Lady. "She would be a pretty girl for but one

thing,"
"What's that?" asked Charley.

George—Her face is always covered with purple and red blotches.
Charley—Oh, that's easily enough disposed of. Used to be the same way myself, but I caught on to the trouble one day, and got rid of it in no time.

George—What was it!
Charley—Simply blood eruptions. Took
a short course of P. P. P. I tell you, it's
the boss blood corrector. The governor had rhaumatism so bad that you could hear him holler clear across the country every time he moved. He tried it, and you know what an athletic old rent be is now. If somebody would give Miss Dalsy a pointer, she would thank them after wards. All the drug stores sell it.

## Blood and System with BURDOCK BLOOD BITTERS

BERVILLE, Mich., April 12, 1889.

MESSES, FOSTER MILBURN & Co. Dear Sirs: —I write that you may know the good I have received from the BURDOCK BLOOD BITTERS. I am now on the ninth bottle of your wonderful Bitters, and must confess I have received prompt cure of a long standing disease— SCROFULA. I have used dollar after dollars worth of medicines and received no relief, but the third bottle of B. B. I found great rest. I have also used three bottles of Burdock Pills; they are the best medicine I ever took. I cannot praise them too highly. I do owe my whole life to them and can recommend them to every living soul that is afflicted with that dreadful disease, SCROF-ULA. I was afflicted with lumps as large as an egg in my right alde and large lumps on my throat, and my limbs were covered with a burning and itching rash, which very greatly annoyed me when near the warm stove. I had spent a great deal of money trying to get relief, and consulted the best medical treatment in the State, but all in vain, they did me no good whatever, and I had about given up when I thought I would try your medicines, and, thank God, they have cured me I am a well woman to-day. Your ever true friend and well wisher, I am a well woman to-day. MRS. CHAS. HUTTON, C Berville, St. Clair Co., Michigan,
